

"The voters of New Hampshire have a right to a truthful and straightforward understanding of the positions, accomplishments, and policies of those who represent us, and those who seek to represent us." – NH Asks

Welcome to New Hampshire! Congressman Dennis Kucinich

Please provide straight-forward & truthful answers to these questions:

- ★ Your campaign slogan is "Strength through Peace". But another candidate's slogan is "Peace through Strength". Don't you think we need to face our global competition from a position of strength to avoid being taken advantage of in a dangerous world? Isn't your view overly optimistic and risky?
- ★ You advocate universal single-payer health care – in fact you've even introduced a bill in Congress (Kucinich-Conyers HR676) to make it happen. We already have single-payer health care in this country for veterans, seniors and politicians. Are these existing programs a model for your proposal? Are you in fact satisfied with the quality of coverage in our current veterans and Medicare programs?
- ★ It's been said that there are no good solutions to the Iraq fiasco. But you have introduced a comprehensive plan (House Bill HR1234) to end the war, correct the problems, and bring the troops home immediately. Sounds too good to be true. Even your Democratic opponents say it would take 9 -12 months or more to move out all our emplaced personnel & material under ideal circumstances. Is this Iraq plan of yours realistic?
- ★ The Fourth Amendment contained in the Bill of Rights of the US Constitution states: *The right of the people to be secure in their persons, houses, papers and effects against unreasonable searches and seizures shall not be violated, and no Warrants shall issue, but upon probable cause supported by Oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.* As President, do you pledge to uphold this provision 100% and without exception?
- ★ The Fifth Amendment contained in the Bill of Rights of the US Constitution states in part: *No person shall...be deprived of life, liberty or property without due process of law.* As President, do you pledge to uphold this provision 100% and without exception?
- ★ The Congress has the sole power to raise armies and declare war. So is the hiring of mercenaries and/or subcontractor soldiers by the Executive branch either Constitutional or lawful, in your opinion?
- ★ If it were proven that VP Cheney fabricated the stories that Saddam had W.M.D.'s, or about his involvement with terrorism as pretexts for invading Iraq, would that type of fraud against the US (which is a felony under 18 U.S.C. Section 371) be an impeachable offense, in your opinion?
